City of St. Anthony Newsletter

August 2007

Words from Mayor Beck

City beautification awards for June were given to Ron and Linda Bauer on East 2nd North and Hamilton Realty – West Main Street. Thanks to these fine people for going the extra mile. The beautiful flowers have lifted my spirits and again made me proud of St. Anthony.

Some of the phone numbers in last month's newsletter were incorrect. They should be as follows:

Public Works Director – Scott Butigan – 709-3893
Sewer Problems – JD Henry – 709-3892
Water Problems – Kirk Nelson – 705-4501

Please use these numbers for nights or weekends – as always; please call me at 624-4262 if you are unable to reach any of the above.

Hope you are all having a great summer. Remember school starts soon and school zone speed limits will need to be observed.

City Announcements & Events

				Sept. 5th,	**7:00 p.m.**

Department Reports

Police and Fire

Nothing reported

Animal Control and Compliance Officer

All residents of St. Anthony please make sure your dogs have city tags. According to city code 6.08.060 Unlicensed dogs -- Impoundment it states that all dogs not licensed and collared are declared to be a public nuisance, and it is the duty of all policemen and the pound master to take up and impound any dog not so licensed and collared. The city tags are **free** and available at the city office. If you cannot stop in during office hours please call the city office at 624-3494 and we can mail the forms out to you.

Parks and Recreation

St. Anthony Parks & Rec is still keeping busy. An Eagle Scout, Jaren Eckman, made a wonderful sign for our park now named St. Anthony South (West of Cougar Corner). Our teeter totters will get an overhaul. Another eagle scout, Houston Birch, will be sanding, painting and putting handles on them. They will look great also. Then a youth group will be sanding and painting two merry-go-round seats for a service project. We appreciate all the work these youth have done (or will do) for the city.

We will have one last fundraiser this summer. At Summerfest we will be selling used art. So dust off your old pictures and frames and drop them off at the city office or call me at 624-9201 or Carla at 624-0170. So come and see our booth and find out what else we want to do with our city parks.

For the rest of the year the P & R committee will be looking at grants and at playground equipment to decide what pieces we want to put where. We would greatly like your input. If there is something you would like to see in the park closest to you or any of our parks, email me at mhinckley@fairpoint.net or call the city office.

Have a great summer and we hope to see you all at our booth at Summerfest!

Streets and Airport

We will continue to spray for mosquitos as weather permits.

School will be back in session on the 22nd, please be careful and watch for kids going to and from school.

Reminder to stop for pedestrians in the crosswalks.

Water, Sewer and Garbage

The city crews have been replacing water valves. We appreciate the patience of our citizens who have had some water interruptions. We will try harder to

contact people in the future and again we are sorry for any interruptions in water service.

Do you have a community event you'd like to post on the City's website calendar?

Please contact the City office with the information and we'll put it on for you. You can either call us at 624-3494, or email at stacity@fairpoint.net.
