City of St. Anthony Newsletter *November 2009*

From Mayor Rose

By the time you receive this you should know who the new Mayor of St. Anthony is, as well as the newly elected council members. They will take to their newly elected positions by being sworn in at the first meeting January 13, 2010. I will continue to serve as your Mayor until then.

The holidays are fast approaching and this will affect the second meetings in November and December. Those meetings have been canceled so that everyone can enjoy Thanksgiving and Christmas. We will still hold our first meetings which will be November 12th and December 9th. We still have plenty of business to discuss and the public is always welcome and encouraged to attend our meetings.

The chamber is continuing to ask for donations to put towards the flower project and this can be done at the Bank of Idaho, or contact the chamber, do not make donations to the city office.

Animal Control & Code Compliance

Dogs are required to be licensed by the time they are six months old. Having a license on your dog helps us to return the dog to it's owner and avoid pound fees. A license is only $5 if your dog is spade or neuter or $30 if not and can be purchased at the city offices. Pound fees are $25 and $5 per day after that. In addition, there can be penalty fees for not having a license.
