

## Words From Mayor Beck

The City of St. Anthony needs your help. The City is pursuing grant funding to help pay for the wastewater treatment and collection improvements. This survey is a necessary step for obtaining this grant through the State of Idaho Department of Commerce and Labor. East-Central Idaho Planning & Development Association will record and compile the surveys. The information you are providing is confidential; do not indicate your name or address. After completing the survey, insert it

in the envelope that will be provided, seal it and give it back to the surveyor, or ask for a preaddressed stamped envelope.

Your help in completing this survey will be greatly appreciated and needed to support our efforts to provide our community with adequate wastewater collection and treatment facilities. If you have any questions or comments about this survey please feel free to contact Taci at City Hall (624-3494) or Ben Graham at ECIPDA (356-4524 ext. 326).

## City Announcements & Events

**Council Meetings - Oct. 13<sup>th</sup> & 27<sup>th</sup>, 7:00 p.m.**

**Planning & Zoning Meeting - Oct. 7<sup>th</sup>, 7:00 p.m.**

**Parks & Recreation Meeting - Oct. 20<sup>th</sup>, 7:00 p.m.**

## Councilmember's Comments

### Garth Rose

#### Council President

#### *Sanitation, Fire & Finance*

Thanks to all the volunteer fireman for your hard work. The City of St. Anthony appreciates all you do.

### Joyce Edlefsen

#### *Planning & Zoning, Personnel, Work Camp Liaison*

**Planning and Zoning:** Nancy Taylor, a consultant helping with the revision of the city comprehensive plan, is expected to meet in October with the Planning and Zoning Commission. These meetings are open to the public and public participation is encouraged. Call City Hall if you are interested.

**Henry's Fork Greenway:** The Henry's Fork Greenway Committee met in September to discuss progress on the greenway and upcoming work to be done. Many of the same committee volunteers attended the meeting, but the group needs some new volunteers. Another meeting

will be scheduled soon to work on projects.

If you are interested in volunteering for any type of work involving the greenway, please call City Hall at 624-3494.

### Shawn Fransen

#### *Parks & Recreation, Buildings*

Thanks to the citizens of St. Anthony for beautifying the City and making it a great place to live.

The Parks and Recreation committee needs your input. We have been discussing a possible name change for Clyde Keefer Park and would like to hear what you have to say. The three choices are: to leave it as Clyde Keefer, change it to Veterans Memorial, or St. Anthony City Park. You may call the City office with your opinions or write them on your bill before mailing it in.

### Cathy Koon,

#### *Streets, Airport*

I missed the Sept. 22 council meeting because of a workshop in Boise I had to attend for work. The theme of the workshop was "Riding the Waves of Change." One of the speakers said a good company is one that encourages change, but a great company is one that creates change. Many of us resist change while others embrace it. As much as I would like to see St. Anthony returned to the way it was when I was growing up, I know those days are gone. It saddens me, sometimes, but I am encouraged by the resurgence of pride I see in the community. People who don't remember the "good old days" look at St. Anthony and love her for what she is and what she is becoming. I've always loved her, but I've sometimes looked at her through time-colored glasses that kept me from seeing what I didn't want to see. St. Anthony has changed, but change isn't a bad thing.

---

## Darby Merrill

*Police, Animal Control, Personnel*

Be mindful and watch for kids before and after school. School zone speed is 20 mph.

---

## Lowell Williams

*Water & Sewer, Finance*

Things are happening and other things are still in limbo, to wit:

1. The Mayor, Woody and I met with Schiess & Associates and DEQ Rep Willie Teuscher last week on a DEQ review of the bid plans for Phase 1 construction. That is for the rebuild of the Wastewater Treatment Plant. DEQ had many comments and

recommendations to make the plans more understandable for bidding purposes. I was quite amazed and pleased in the depth of the comments. They were small points that the engineers were acquainted with in making the plans, but there were points somewhat hard to follow if digesting the details to put together a bid. We should benefit from the adjustments to the plans and

2. It will possibly be next February before we will know what the grant amount will be for the construction. USDA-Rural Development is experiencing policy changes that will probably

affect the amounts public agencies will be able to qualify for.

ITEM 2 is the reason certain City residents, on a random basis, will be contacted to participate in an economic survey mentioned in "the Mayor's" remarks. You might not be contacted due to the random nature of who is to be surveyed. It is very important for those who are selected to respond. Please feel comfortable as the survey is confidential. The results will determine our grant eligibility and be a factor in qualifying for a grant and possibly how much the grant will be.

## City Clerk's Corner

Taci Stoddard

**The City is always looking for volunteers for different projects or activities. We currently are looking for volunteers for the Greenway Committee, and we have several projects coming over the next year or two that will need some help from volunteers. I know we all have busy lives, but as you try to determine if you have the time, keep some of these quotes in mind:**

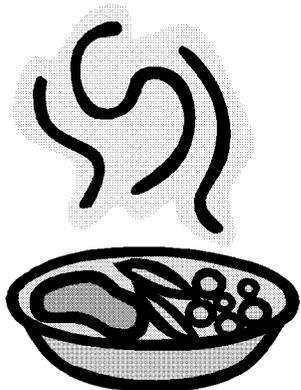

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it is the only thing that ever has." - Margaret Mead

"The best way to find yourself is to lose yourself in the service of others." – Mahatma Gandhi.

"Nothing great was ever achieved without enthusiasm." – Ralph Waldo Emerson

"No man is so poor as to have nothing worth giving. Give what you have. To someone it may be better than you dare to think" – Henry Wadsworth Longfellow

"Everyone can be great because everyone can serve." – Martin Luther King Jr.

**SENIOR CITIZENS:** Come in and visit the Seniors Center at City Hall. They have a wonderful facility and a great staff. You can't beat their meals – healthy, delicious and only \$3.00 for seniors, and \$4.00 for non-seniors. Lunch is served Mondays through Thursdays at noon. Give them a call at 624-3458 or stop in at 420 North Bridge.
