

## Words From Mayor Beck

Councilman Lowell Williams has resigned his position on the St. Anthony City Council. Mr.

Williams has been in poor health for several months. In spite of this, he has continued to execute his duties on the council in behalf of the people of St. Anthony completely and faithfully. Lowell has several projects he has worked on. This newsletter was started and continues to function because of his efforts. He has been an active member of the oversight committee for

the wastewater treatment plant and collection system upgrades. His professional background has been invaluable in this area. He also directed the effort to establish a monthly financial report which outlines the income and expenditures of the sewer construction program. This Mayor will surely miss Lowell's advice and help and support. May God Bless You. Lowell and JoAnn.

I have 3 individuals who have indicated an interest in serving the people of St. Anthony in this position. I would hope there would be others. Please call me at home (624-4262) or call the city office at 624-3494.

**Planning and Zoning - June 9<sup>th</sup>, 7:00 p.m.**

## Councilmember's Comments

### Garth Rose

#### Council President

*Sanitation, Fire & Finance*

I regret to hear of Councilman Lowell Williams resignation. He was a great asset to the Council and will be missed by all who had the chance to get to know him.

Summer time is now upon us, be mindful of the water you use to keep up your yards.

### Joyce Edlefsen

*Planning & Zoning, Personnel, Work Camp Liaison*

Happy spring!!

Use of the Henry's Fork Greenway continues to pick up. Most folks have been great to keep the trail litter free. Soon the city will have doggie litter bags for your use to pick up after your dogs.

In a meeting June 8 the City Council plans to discuss a proposal to annex properties along the Teton Highway. Many property owners

already are connected to city water and in some cases, city sewer, which makes the annexation a simpler process than if not. If you're interested in this annexation proposal, don't forget to attend the meeting at 7 p.m. June 8.

### Shawn Fransen

*Parks & Recreation, Buildings*

A design has been presented for anew shelter at Keefer Park, there were donations gathered at the fisherman's breakfast. Any one interest in donating can contact the city offices or the Rotary club. No donation is too small.

Remember to help St. Anthony look great and beautify your yards. Make us the most attractive town around.

If you would like to serve on the parks and recreation board, please call Heather at the city office.

### Cathy Koon,

*Streets, Airport*

The city is making a concerted effort to get property owners to clean up their yards and vacant lots. People have been asked to get rid of car bodies and cars that don't run. Besides being unsightly, they are a safety and health hazard. Please join with us to spruce up, clean up and keep up.

Thanks to those few hearty souls who braved the rain and cold to help with the Henry's Fork Greenway cleanup. We didn't get finished and will be rescheduling sometime soon. We could really use some help cleaning up the trash along the two-mile stretch from the St. Anthony Interchange to the south exit.

If you haven't walked the greenways yet, I would encourage you to do so. They are wonderful.

### Darby Merrill

*Police, Animal Control, Personnel*

Tickets will be given out for all trailers and campers parked on city streets. Please keep this in mind, and

remember to put campers away after cleaning them out from a fun weekend of family outings.

**Lowell Williams**  
*Water & Sewer, Finance*  
Councilman Williams has resigned

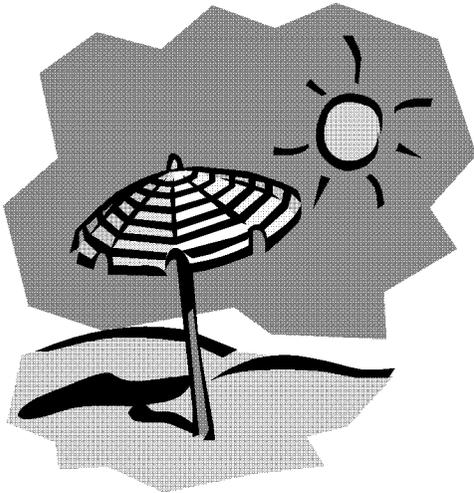

due to health issues. He will be missed.

### City Clerk's Corner

Taci Stoddard

The City is currently working on the St. Anthony history portion of our website. Go to <http://www.ci.saint-anthony.id.us> and under City Info on the left, click on City History. Let us know what you think!

*We would also like your help with getting some history information for the site. We would love any submissions of personal or family stories relating to St. Anthony history. If you have any historical photos we would love to be able to copy them and use them on the website. Any submissions will be handled with care and returned to you promptly. If you have any of these items you would like to share please bring them to the City Office.*

Take advantage of the hot summer sun and visit the sandbar. Life guard is on duty from noon to 6 p.m. daily, Mondays through Saturdays.
