

## Words From Mayor Beck

Dates to remember - Week of

November 13<sup>th</sup> - November 18<sup>th</sup>,

New garbage cart will be

delivered to homes. **DO NOT** use

new carts until Thursday Dec. 3<sup>rd</sup>. Garbage collection in the residential areas of town will always be once a week on Thursday's, with the exception of holidays.

If a holiday occurs on Monday, Tuesday, Wednesday or Thursday, our collection will be Friday - We will remind you as these holidays occur.

Remember to vote Tuesday, November 8<sup>th</sup>.

Government is only as good as the individual participation. Voting is a very real way to participate.

We are well along with the joint County - City transportation study. All of our City streets have been inventoried for condition of surface. The results of that inventory indicate streets that are badly deteriorated. We are going to need the people of St. Anthony's involvement to let us know what you want us to do. Several options will be available. We plan to have some public forums to discuss these options and others you may have. Please watch for notices after the New Year.

Thank you for your patience and understanding during our sewer line construction. Traffic has been disrupted more than I anticipated. I apologize for that.

## City Announcements & Events

**Council Meetings - November 9<sup>th</sup>, 7:00 p.m.**  
**November 23<sup>rd</sup>, 7:00 p.m.**

**Parks & Recreation - November 16<sup>th</sup>, 7:00 p.m.**  
**Planning and Zoning - November 2<sup>nd</sup>, 7:00 p.m.**

## Councilmember's Comments

**Garth Rose**

**Council President**

*Sanitation, Fire & Finance*

Nothing reported

**Joyce Edlefsen**

*Planning & Zoning, Personnel, Work  
Camp Liaison*

It's been a busy month around St. Anthony, with evidence of a major sewer project under way. Thanks to everyone for their patience during the sewer line project. It's been inconvenient for neighborhoods and visitors to those neighborhoods but when it is complete, our infrastructure will be greatly improved.

Don't forget to vote Nov. 8. While just four people are on the ballot for four council seats, making no contest there, there is a contest for the job of mayor.

The Henry's Fork Greenway Committee is trying to schedule a meeting in November to decide what progress the greenway should make for next year. The meeting date will

be posted. If you care about the greenway and have some suggestions about what improvements should be made next year, attend the meeting or contact a greenway committee member. Call me at 624-4656 if you have any suggestions.

Also, plans for the greenway will be noted in the city-county transportation plan. Send comment to City Hall or call me with suggestions for long-term greenway plans, too.

Nothing reported

**Cathy Koon,**  
*Streets, Airport*

Sorry to say, I have no idea what is happening with streets and the airport. I missed both city council meetings this month and spent the two weeks in between in Mississippi, working in public

information for the state's emergency management agency. I viewed, firsthand, the devastation along the Gulf Coast and got a better idea of the obstacles facing FEMA in dealing with disasters of this magnitude.

The experience just reminded me again of how glad I am to live in Idaho. And it reminded me that disasters can happen anywhere and anytime, and it is extremely important to be prepared. No matter what part of the country you live in, you need to have an emergency water and food supply ready to go at a moments notice. I'm not sure what-all is recommended for a 72-hour kit, but I can recommend a change of clothes, first aid kit, medications, blankets and a tool kit. We may not have to worry about hurricanes, but we are vulnerable to other natural disasters and being prepared is a matter of life and death.

**Bill Butterfield**

*Police, Animal Control*

If anyone would like to foster a dog or puppy from the pound, please call the City Office. The animal control officer can notify the HSUV and a volunteer will help you in fostering.

If you have an unwanted litter, offer to foster the animals before you abandon them. Chances are good that

they will find homes in two or three months.

We can end the cycle of unwanted pets, if we all try.

**Darby Merrill**

*Water & Sewer, Personnel*

Thank you to everybody who has worked on the sewer project. Phase I is complete, with the walk

through scheduled for next week. Phase II is progressing nicely.

*City Clerk's Corner*

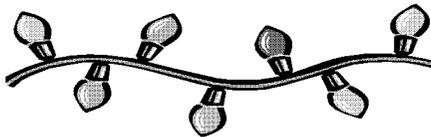

*Taci Stoddard*

November 8, 2005, is Election Day. Please come and exercise your right to vote. The polls are open from 8:00 a.m. to 8:00 p.m. at City Hall, 420 North Bridge. A sample ballot is available at the City office for you to review.

*Have a Happy Thanksgiving!*

**HOLIDAY LIGHTING  
CONTEST**

Will be held  
@ 6:00 p.m.  
December  
16<sup>th</sup> & 17<sup>th</sup>,

**South Fremont Senior  
Citizens**

**Thanksgiving dinner**

**Will be held on Wednesday  
November 23<sup>rd</sup>,**

**Please call in advance to let  
them know the number of  
people who will be attending.**
