

Words from Mayor Beck

September 2nd, 2008 marked the beginning of a new era for the city of St. Anthony.

Patty Parkinson began her duties as city clerk on that day. Patty lives in Egin bench where she resides with her husband, Scott Parkinson. She most recently worked for the city of Chubbuck. She has a bachelor's degree in finance. She is a fast learner and has already mastered many of the aspects of her new responsibilities. Welcome to Patty. We have appreciated Taci

Stoddard's many years of service and the help she is giving to Patty during this transition.

Several ordinances are being considered for updating. The council has ordinances dealing with dog control, garbage and parking being considered at this time. We've had good citizen input on these ordinances. We hope to be able to post these ordinances and others on the cities web site so that you may review them on line and give us your input.

City Announcements & Events

Council Meetings - Oct. 8th,	7:00 p.m.	Parks & Recreation-	Oct. 2nd,	7:00 p.m.

			Nov. 5th,	7:00 p.m.

Department Reports

Police and Fire

Neighborhood Watch. Citizens continue to be a valuable source of information regarding criminal activity. If you see something suspicious occurring, don't hesitate to call the dispatcher at 624-4482, so we can check it out. As always, if it's an emergency call 9-1-1.

Animal Control & Code Compliance

Dog tags are free and can be picked up at city hall. Getting city tags will insure that your pets are returned safely when they have wandered off.

To all city residents, zoning permits are required by the city for any construction regardless of the size. These can be picked up at the city office. Also fence permits are required on all fences being installed within the city limits.

Parks and Recreation

Nothing reported

Streets and Airport

Nothing reported

Sewer, Water, and Sanitation

Grass clippings do not go into the alleys. This is considered littering. Please place in garbage bags and place into the blue containers provided by the city.

Please haul your yard waste to the landfill; the cost the city incurs is quite expensive. If you can haul this yourselves, it will help keep the cost down to city residents.

The city is enforcing a city wide cleanup. All unlicensed and non running vehicles and parts need to be removed from the property and all weeds, trash, ect. needs to be cleaned up.

The following is preliminary as of September 30, 2008. Other items may be added up to the time of the meeting. There is a public comment time at the beginning of the meeting in which anyone can comment on agenda items.

AGENDA - City of St. Anthony Council - Wednesday, October 8, 2008, 7:00 p.m.
