

September was a beautiful month, what a beautiful country we live in with all the colors of fall. Take advantage of the cooler days and get out and go for a drive and appreciate what we have.

Safe routes to school is complete and we are happy with the results. There is a lot of use on the path from kids to adults.

The chamber is asking for donations to put towards the flower project and this can be done at the Bank of Idaho, or contact the chamber, do not make donations to the city office.

Thanks to all the city residents for keeping up their yards. It's a joy to drive town when they look so nice.

Elections are coming soon and we have had several put there names in the hat for Mayor as well as Council Members. Keep informed on the issues and watch your favorites closely, this could be a tight race. Each and every registered voter has a choice. Election Day is the 3rd of November, so mark this on your calendar.
