

City of St. Anthony Newsletter

March 2012
420 N. Bridge St., Ste. A, St.
Anthony, ID 83445
Phone: 208-624-3494

Mayor Thueson would like to thank the businesses who have come in and applied for their Business License. We have had over 100 applications. There are still more that have not applied. Please come into the office and apply today. We will list the businesses in some of our newsletters and they will all be listed on the City website at www.cityofstanthony.org. If you feel like the name you registered your license under does not give an accurate description of the type of business you are then come in and do a name change. This is provided at no extra cost.

Thank you for driving safely on our roads and being courteous to other drivers. We live in a wonderful community. Have a wonderful March. Mayor Thueson 624-7693 or 390-0077

Now that winter has decided to arrive remember to park off of the street so that the snow plows can get down the roads.

This has been a very cold winter. We have had lots of city residents with frozen pipes. Please remember to run a small stream of water in your home to prevent your pipes from freezing.

As Spring slowly approaches please remember the City counsel voted to **ban smoking** in three city parks. Smoking at the **Baseball Diamonds**, the **Skate Park** and the **Sand Bar** will no longer be allowed.

Council felt it important to provide a smoke free playground and/or park for the benefit of our community's children. Let us know if you like this idea, as council may consider a resolution to ban smoking in all our city parks.

The **Planning & Zoning Board** is undertaking a lot of work. The board has updated the Comprehensive Plan for the city and is submitting it to the Council for ordinance approval. Starting March 7, 2012 the board will be working on updating the city's Development Code. The city has hired Planner Joshua Chase to assist the board in this endeavor. They would really like public input as they review these important documents. The future of our city and the directions it may grow will rely heavily on the decisions made during these planning meetings and the board wants to hear from you. Please come to the meetings and watch for special hearings planned later in the year. The Development Code will be reviewed including the city's Area of Impact. Any ideas or thoughts you have will want to be considered.

Upcoming meetings:

- March 7 @ 7pm Planning and Zoning**
- March 8 @7pm Council Meeting**
- March 22 @7pm Council Meeting**
- April 4 @7pm Planning and Zoning**
- April 12 @7pm Council Meeting**
- April 26 @7pm Council Meeting**

All residents are welcome to attend
