WHERE PEOPLE AND NATURE MEET

A GREAT BIG THANK YOU to everyone who came out to clean up our beautiful Henry's Fork Greenway on Saturday, May 19, 2012. In addition to cleaning up the Greenway, volunteers also cleaned up along the highway's exit and entrance ramps. Volunteers and crew also did some bridge building on the North side of the Greenway, making it easier to walk along the river. If you haven't been to the North side of the Greenway you are missing out on some really beautiful parts of the Greenway. Take a walk on the North side and you'll see deer, moose, eagles, osprey and maybe even a skunk! The river is absolutely gorgeous this time of year! Get out and enjoy our Greenway!

Sand Bar Park Swimming

Water is high on the river! There is always a risk swimming in the river. The Sand Bar Park does not have a life guard. NEVER swim alone! The city has a policy of closing the Sand Bar Park if water levels are at certain levels. You will see some **improvements at the Sand Bar Park**. The city tore down an old building and planted grass making more room for swimmers to enjoy a grassy area. Enjoy and respect the river, use caution and stay safe.

PIONEER DAY PARADE is Saturday, July 28th. There will be plenty of events to attend. Besides the parade, there will be a rodeo, a play and fireworks. Help us celebrate our pioneers and enjoy one of the finest parades in all of South East Idaho! Bring your family and friends and enjoy a picnic in one of the many parks throughout the city.

Wednesday is JULY 4TH

The city offices will be closed Wednesday, July 4th, in recognition of Independence Day. **Garbage collection** will be delayed by one day for residential and commercial customers. Please mark your calendars and have a safe and happy 4th of July weekend.

DRINKING WATER REPORT

The City of St. Anthony's Annual (2011) Consumer Confidence Report (CCR) or Drinking Water Report is available for review either at the City Offices, 420 N. Bridge St., St. Anthony or on the City's Web Site, www.cityofstanthony.com. For information contact the City Offices at 624-3494.

During the 4th of July celebration, please keep pets either penned up or on a leash so they don't become scared and run away. The city has a leash

law. Make sure they have a tag so we know who they belong to and can get them back safe and sound. Please respect your neighbors and keep your pets on a leash and clean up after them.

As spring slowly approaches please remember the City council voted to **ban smoking** in three city parks. Smoking at the **Baseball Diamonds**, the **Skate Park** and the **Sand Bar** will no longer be allowed. Council felt it important to provide a smoke free playground and/or park for the benefit of our community's children. Let us know if you like this idea, as council may consider a resolution to ban smoking in all our city parks
