

City of St. Anthony Newsletter

September 2012

420 N. Bridge St., Ste. A, St.
Anthony, ID 83445
Phone: 208-624-3494

DRINKING WATER REPORT

The City of St. Anthony's Annual (2011) Consumer Confidence Report (CCR) or Drinking Water Report is available for review either at the City Offices, 420 N. Bridge St., St. Anthony or on the City's Web Site, www.cityofstanthony.com. For information contact the City Offices at 624-3494.

For information contact the City Offices at 624-3494.

OVERGROWN ALLEY

Is your alley-way overgrown or filled with items? The city has an ordinance, 8.24.050 that says "No person shall sweep into or deposit in any gutter, alley, street or other

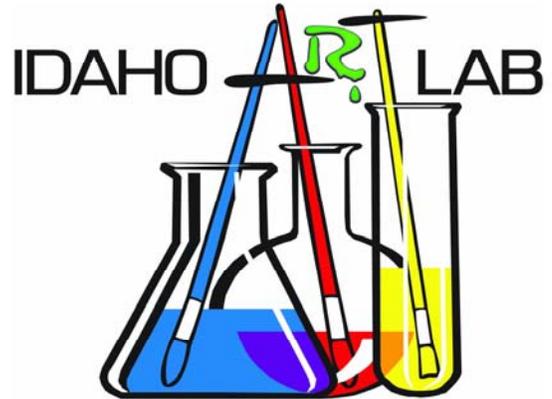

public place within the city, the accumulation of litter from any building or lot or from any public or private sidewalk or driveway. Persons owning or occupying property shall keep the sidewalk in front of their premises, and alley bordering their premises, free of litter." This allows for everyone access to their properties and keeps the city looking good. Remember to trim back your bushes and trees so trucks and buses can pass safely.

Monday, September 3rd, is Labor Day

The city offices will be closed Monday, September 3rd, in recognition of Labor Day.

Garbage collection will be delayed by one day for residential and commercial customers.

Please mark your calendars and have a safe and happy Labor Day weekend

Your non-profit community art center, Idaho Art Lab, is offering many art education workshops this fall and continues to offer free arts and crafts projects for walk-in visitors.

They are settled in their new location at 2355 S. Yellowstone Hwy. between Hathaway Homes and Simplot Growers. Their pottery and ceramic studios are now open along with Bill Wilson's Scroll Saw Woodshop. Screenprinting, Cartoon Animation, After-School Homework Club, the Computer Lab & the Photography Darkroom are being organized now.

Take a free tour Thursday, September 13 at 7:00pm. Free refreshments and activities for the kids. The Lab's regular hours are

Tuesday - Friday:

10:00am - 6:00pm, Saturday: 12:00pm - 9:00pm (date night!).

For more information call 208-932-0893 or go to www.IdahoArtLab.org, info@idahoartlab.org or www.facebook.com/IdahoArtLab

Upcoming meetings:

September 5 @ 7pm Planning and Zoning
September 13 @ 7pm Council Meeting
September 19 @ 7pm Planning and Zoning
September 27 @ 7pm Council Meeting
October 3 @ 7pm Planning and Zoning
October 11 @ 7pm Council Meeting

All residents are encouraged
and welcome to attend.

Annual Stanford Field Fly-In

The Annual St. Anthony Fly-In at Stanford Airport will be Saturday September 22 from 8:00 a.m. to 2:00 p.m. There will be a FREE lunch (Sloppy Joes and corn) and free flights (if you are age 8 to 18) on airplanes. There will be different vendors there providing all sorts of fun family activities. Come out and see our airport, enjoy meeting pilots and their planes and enjoy a free lunch.

Please remember
the City council
voted to ban
smoking in three
city parks.
Smoking at the
Baseball
Diamonds, the
Skate Park and the

Sand Bar will no longer be allowed. Council felt it important to provide a smoke free playground and/or park for the benefit of our community's children. Let us know if you like this idea, as council may consider a resolution to ban smoking in all our city parks.

CITY PARKS

The City of St. Anthony has some beautiful parks. However, there has been a number of vandalism calls. Recently in the Jaycee Park someone broke off 18 sprinkler heads. To repair and replace the sprinkler heads will cost the city \$300. If you have any information or notice anything suspicious going on in the parks please contact the City Police Department at 624-4001. We are proud of our parks and want to make them places where everyone can go to enjoy our beautiful summer and fall days. Please contact us if you have any information!

School
Begins
August
29th

Remember to watch for children walking, riding bikes, or getting on and off the school buses. Fall is already here and we all need to watch for children and pedestrians in the cross walks and school zones!
