6.12.040 Keeping of animals in city limits.

6.12.050 Keeping of poultry.

6.12.010 Herding unlawful when.

It is unlawful for any person to hold, pasture or detain any herd or band of livestock within the corporate limits. This provision does not prohibit the herding of livestock on designated stock trails through the corporate limits of the city.

(Ord. No. 2008-10, 11-12-2008)

6.12.020 Stock running at large prohibited.

It is unlawful for any person to permit or allow any livestock belonging to him or under his control to run at large within the corporate limits.

(Ord. No. 2008-10, 11-12-2008)

6.12.030 Keeping or maintaining of hives of bees prohibited.

It is unlawful for any person to keep and maintain within the corporate limits any hives of bees during the period from March 1 to November 30 of each year without first obtaining a special use permit from the City.

(Ord. No. 2008-10, 11-12-2008)

6.12.040 Keeping of animals in city limits.

It is unlawful for any person to keep, maintain, stable, or pasture, within any area of the city, any cattle, swine, goats, sheep, or mules; provided, however, that for the purpose of shipment of any such animal, it is lawful to keep the same in pens provided for such purpose for a period of not to exceed twelve hours, which period may be extended for such further time as may be necessary for such shipping purpose by written permission of the mayor or any councilman.

6.12.050 Keeping of poultry.

A. Keeping of poultry within the city limits of the City of St. Anthony shall be limited to only

those zones specifically allowing the keeping of poultry. In such zones as allow the keeping of poultry, no more than 6 female chickens or six ducks of either sex for a total of 6 (six) birds may be kept at a single residence. Roosters which are able to crow shall not be allowed within the City.

Poultry shall be contained on the property and an enclosed coop and/or run shall be provided and maintained. These enclosures shall be in the back yard of such property and setback twenty (20) feet from each side and the back of the lot. Such enclosures and the area around them shall be kept clean as to not attract flies or rodents, and manure shall be periodically removed to minimize odors.
