

**Resolution Establishing Modifying Speed Limits
on Kit Circle**

Resolution # 2014-02

Pursuant to Section 10.16.020 of the St. Anthony Municipal Code and on the advice of the Chief of Police, the Mayor and the City Council of the City of St. Anthony has found that the speed limits now established for the segments of 8th West Street from 4th North to West Kit Circle and Kit Circle from West 8th North to Park Street (both segments together commonly known as Kit Circle) are higher than is reasonable or safe under existing conditions.

The Mayor and the City Council of the City of St. Anthony hereby resolves that the speed limits for both of the named street segments be established at 10 miles per hour.

It is further resolved that the speed limit signs on the above street segments be changed to reflect the speed limits established hereby.

The Director of Public Works is directed to appropriately sign the speed limits hereby established and establish such speed bumps as may be appropriate to further assist with maintaining the new speed limit.

Passed by the St. Anthony City Council the 10th day of April, 2014 and approved by the Mayor on the same date.

Neils Thueson, Mayor

ATTEST:

Patty Unruh Parkinson, City Clerk
